1.1 Landowner's Consent. The Land has been proposed for annexation by City and has been included in an annexation plan approved by City. Upon the expiration of the Term or upon any Termination Event which has resulted in the termination of the Services Agreement, Landowner agrees that City may annex the Land for full purpose or, from time to time, so much thereof as City may elect to annex for full purpose, thereby extending its municipal services, regulations, voting privileges and taxing authority to the annexed portions of the Land and thereafter exercising regulatory authority as necessary to protect the public health, safety and general welfare of the inhabitants of such annexed portions of the Land. This Consent shall serve for all purposes as notice to and consent by Landowner in connection with any annexation of the Land by City for all intents and purposes.

1.2 Voluntary Petition for Annexation. Subject to the Services Agreement, this Consent is Landowner's submission to City of a voluntary petition for annexation of the Land. Landowner agrees that City may retain this voluntary petition for annexation of the Land and, in accordance herewith, may annex the Land or, from time to time, so much thereof as City may elect to annex, and to accomplish such annexation, City will not need to take the following actions, all of which are waived by Landowner:

1.2.4 complete a service plan that provides for the extension of full municipal services to the Land, other than the Service Plan;

1.2.5 hold any public hearings; and

1.2.6 undertake any negotiations for provision of services to the Land.

Landowner confirms and agrees that, as Landowner is the sole owner of the Land as of the Effective Date, that such voluntary petition may not be revoked by Landowner except as provided in this Consent and is intended to be and shall be binding upon Landowner and its successors in interest in ownership of any right, title or interest in and to the Land or any part thereof.

1.3 Waiver. Landowner has irrevocably waived any and all legal requirements applicable to annexation of the Land by City, to the fullest extent permitted by law. From time to time hereafter, Landowner agrees to execute any and all documents reasonably requested by City to evidence such waiver and the consent hereby granted.

1.4 Revocation of Consent and Withdrawal of Voluntary Petition. This Consent may not be revoked by Landowner unless and until the Services Agreement has been nullified or terminated; provided, however, that this Consent may not be revoked if the Services Agreement terminates because of (i) the occurrence of the end of the Term, (ii) a Termination Event, or (iii) a breach of Developer under the Services Agreement which results in termination under Section 8.5 of the Services Agreement.

1.5 City's Acceptance. City hereby accepts Landowner's voluntary petition for annexation of the Land, subject to the Services Agreement.

Article 2. Service Plan

Landowner and City agree that, upon annexation of the Land (or any part thereof) following the end of the Term or a Termination Event, City shall be required to provide only the municipal services described in the Service Plan, which Landowner agrees are sufficient as full municipal services.

Article 3. Covenants of Landowner

Subject to the Services Agreement, Landowner covenants to and with City as follows:

3.1 Landowner shall not oppose any action taken by City to annex the Land.

3.2 Landowner shall include the following language in each deed or lease of any part of the Land hereafter executed by or on behalf of Landowner:

"This (conveyance or lease, as applicable) is made and accepted subject to that certain Landowner's Consent to Annexation, which will permit the City of San Antonio to annex the herein described property upon the terms and conditions set forth therein. Acceptance of this (conveyance or lease, as applicable) shall evidence your consent and agreement to such annexation by City and may be relied upon by City as a beneficiary of your consent and agreement."
